#### The all new NCM Milano Plus - Perfect for delivery

Introducing the NCM Milano e-bike, the ultimate companion for food delivery professionals! Engineered to redefine efficiency and reliability in the bustling world of food delivery, the NCM Milano is a sleek and agile electric bike designed to elevate your delivery experience.

Tailored specifically for delivery riders, this e-bike seamlessly integrates into the fast-paced demands of food delivery services. With its robust frame and streamlined design, the NCM Milano offers the perfect balance of durability and maneuverability, ensuring you can navigate through busy streets and congested traffic with ease.

Equipped with a powerful electric motor, the NCM Milano delivers swift acceleration and effortless cruising, allowing you to zip through city streets and make timely deliveries without breaking a sweat. Say goodbye to long wait times and hello to faster deliveries, as this e-bike empowers you to cover more ground in less time.

Safety is paramount, which is why the NCM Milano comes outfitted with advanced features to enhance rider security. From responsive disc brakes for quick stops to integrated LED lights for enhanced visibility during night deliveries, every aspect of this e-bike is engineered to prioritize your safety on the road.

At Leasie, we understand the unique needs of delivery riders, which is why we offer the NCM Milano on a convenient rent-to-own plan. Experience the freedom and flexibility of owning your delivery vehicle without the upfront costs. With Leasie, you can focus on what you do best – delivering delicious meals to satisfied customers – while we take care of the rest.

Upgrade your delivery game with the NCM Milano e-bike from Leasie. Whether you're navigating bustling city streets or weaving through tight alleyways, trust in the reliability and performance of the NCM Milano to elevate your delivery experience to new heights.

#### Why choose Leasie?

Leasie makes owning your own scooter possible by offering a quick and easy approval process. Our simple lease-to-own plans are suited to customers that find it difficult to get finance approval through traditional lenders.

The Leasie difference:

- No credit checks required

- Fixed weekly repayments
- Once off establishment fee
- No early termination fees - pay out your lease at any time

What's included:

- 12 months Registration and Third-Party insurance
- Road worthy certificates provided for all vehicles (applicable to used vehicles)

Leasie approves over 90% of all applications submitted, so apply today and own your own scooter in as little as 24 months.
